Re Ex parte presentation in docket MB 04-68, Victor Company of  
Japan Certification of D-VHS Technology for Digital Output  
Protection Technologies and Recording Methods to Be Used in  
Covered Demodulator Products

Dear Ms Dortch

On April 8, 2004, the undersigned, as counsel to Victor Company of Japan, Ltd ("JVC"), James Bouras, also as counsel to JVC, and Yasuhiro Ayabe and David Khne of JVC met with the following FCC staff members from the Media Bureau, Rick Chessen, Susan Mort, John Wong, Michael Lance, Mary Beth Murphy, Steve Broeckaert, Alison Greenwald, John Gabrysch, from the Office of Engineering and Technology, Alan Stillwell, and from the Office of Strategic Planning and Policy Analysis, Amy Nathan

The discussion at the meeting related to the information and materials presented by JVC in its certification in the above captioned docket, including the technical description of JVC's D-VHS technology, the functioning of D-VHS products in relation to content marked with the broadcast flag, and JVC's licensing and patent enforcement regime for D-VHS technology. No materials were distributed at the meeting.

Respectfully submitted,

  
Bruce H. Turnbull  
Counsel, Victor Company of Japan, Ltd
